PPE WEARABLES

Apple Rock's line of PPE Wear offers optimal protection for your employees, customers, family and more. Either used together or separate, our masks, gaiters, face shields and gowns can help provide additional protection regardless of your line of work - medical, retail, corporate, teacher, student, etc.

Custom Branded Masks

Provide protection and style with a cool new custom branded face mask with a full color dye-sub printed with your custom logo or full coverage design. 3-ply face mask meets CDC guidelines: outer layer polyknit, inner layer polypropylene non-woven, third layer soft cotton. Comfortable nylon ear straps, adjustable rings and inset metal nose piece. Wrinkle-free and machine washable. Available in two sizes: M (8"w x 5"h) and L (9"w x 6"h). Minimum order of 36. (\$50 set-up fee required.)

Dimensions:
Medium: 8"Wx5"H
Large: 9"Wx6"H

Brandable Face Shields

Regardless of your line of work, our PPE face shields, in conjunction with your existing face masks, adds another layer of protection to your face and eyes while still promoting easy breathing. The simple lightweight construction, contoured shape and velcro closure for adjustability makes it one size fits most. Forehead foam is added for comfort and to keep the shield from touching your face & nose. All shields are easy to clean, reusable and made with an anti-fog coating. Adult and Child's sizes available. Logo branding included. Minimum order is 25. (\$50 set-up fee required.)

CUSTOM PROTECTIVE GUARDS

Add style and protection with our new creative partitions, without jeopardizing the look and feel of your space. Don't settle for boring when you can be fun and add branding while providing needed protection for your employees and customers. Check out our creative concepts for Restaurants & Retails, Corporate Offices, Salons and Schools.

Restaurant & Retail

Let your patrons enjoy their experience without worries with a creative, affordable partition. We can design them to match the style and attitude of your restaurant, or add simple branding. Custom sizes and shapes are available for either temporary or semi-permanent installation.

Call for Custom Quote

Office Partitions

Over the years many companies have moved to open format spaces. Create a safer space with our creative partitions. We can provide full standing frames, extend the height of any cubicle or hang them from the ceiling. Add branding or creative patterns for thoughtful design, or leave some space blank to be used as a white board. Custom sizes and shapes are available for either temporary or semi-permanent installation.

Call for Custom Quote

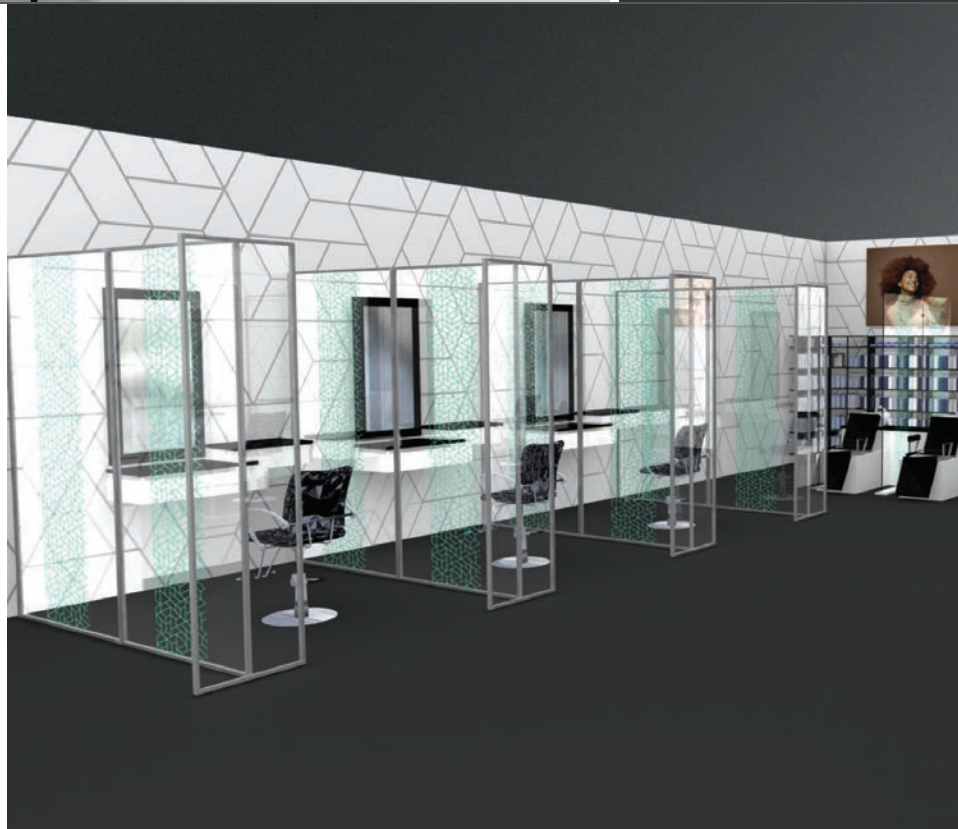

Salon Partitions

Protect your customers and your employees, but look good doing it!

We can help protect your salon by creating fun, affordable, quality partitions, vs homemade screens.

Call for Custom Quote

ACADEMIC PARTITIONS

We want to help you get back to learning and teaching, and custom PPE from Apple Rock is part of the solution! We can help you create a safe learning environment for everyone – students, teachers, front office, cafeteria staff... everyone.

Academic Partitions

The number one priority is to keep our kids and teachers safe, but sometimes student numbers and room size make it hard to keeping everyone six feet apart. Our custom desk partitions can help solve this problem and create a safe “bubble” for safer learning. Made from sturdy clear acrylic material, any custom size and many shapes can be accomplished to fit your needs. Clear acrylic material may also be used as a white board for collaboration. Temporary clamps make it easy to take off later and not damage furniture.

OTHER PPE MATERIALS

Apple Rock has been in business for over 32 years as a designer, builder and innovator, so it is no surprise that we quickly shifted our manufacturing to making PPE to help our communities. We want to help you reopen and stay open, and the best way we can do that is with our full line of custom, quality PPE Materials.

Sampler Dispenser

This custom made kiosk is innovative and unique! Designed to dispense small, individually packaged samples – like disposable masks or hand sanitizer wipes – this kiosk operates by a foot pedal, no power required. Full branding on the front, and easy access to dispensing container from the back. The sleek design, portable features, and powerless functionality make this kiosk perfect for any situation – inside or out.

Face Mask Stand

Every lobby in America should have a simple face mask dispenser for their guests, to ensure everyone's safety. Our new face mask stand is made in the USA of quality materials. It features a clear storage box so you can always monitor supply levels while keeping the masks clean, and an open slit at the bottom for easy dispensing. Custom branding area available at the top, and optional secondary storage container for the back.

\$195 each

Thermal Temperature Scanner with Facial Detection

Introducing the newest addition to our PPE line-up - our new thermal temperature scanner with facial detection. These scanners are quality made, right here in the USA. They provide safe data collection with an internal SD card that can hold up to 500,000 scans. These scanners can also be integrated with a security door system to open for those that pass the temperature protocol. Our new thermal temperature scanners can also be pre-programmed with employee photos. The facial detection feature will then match the employee, with or without a mask on, and log each temperature scan to their profile.

- 8 inch LCD screen with built in camera
- High-accuracy IR body temperature measurement
- Non-contact body temperature measurement
- Human-sounding voice prompt
- Real-time face mask detection and voice prompt reminder
- Face liveness detection technology distinguishing real faces from non-real face spoof attacks
- Highly accurate face recognition using deep learning algorithm
- Stand-alone device, ready for networking
- Internal SD card that can hold up to 500,000 scans
- Recognition Duration: ≤ 0.5 s per person
- Face Capacity: 20,000 Per second.
- Wall mounting and desktop mounting options

\$2,500 each

Volume pricing available - Call for a custom quote.

THERMAL SCANNER CHECK-IN KIOSK

Protect your people and your company the minute people enter your office with our new brandable thermal temperature scanner kiosk, featuring hand sanitizer and face mask dispensers. *Our new temperature scanner kiosk should be a staple in every lobby. Stop employees and visitors as they enter with this all-in-one kiosk.

The scanner will immediately scan the individual's temperature using facial detection and remind them to put on a mask - which is available below for safety and convenience, along with our touchless, refillable hand sanitizer dispenser. See scanner section for full details and specs

\$4,295 each

*10-15 business days, once art is approved.
Volume pricing available - call for a quote.*

**Hand sanitizer and paper face masks sold separately. Call for quote.*

Covid-19 Rapid Testing Program

We have partnered with an established testing company to offer FDA Registered and EUA approved COVID-19 Rapid Tests. This is just an extension of all the other custom PPE solutions we are providing to help our customers and our communities stay safe during this time.

- Authorized by FDA under an EUA (Emergency Use Authorization)
- Quick finger prick for blood sample
- Results back in 15 minutes
- Detects both early marker and late marker antibodies, as long as the virus has been in your system for at least 3 days
- Test must be administered by a healthcare professional. No lab required.
- Kits are sold in sets of 50.

This test has not been FDA cleared or approved;

This test has been authorized by FDA under an EUA for use by authorized laboratories;

- This test has been authorized only for the presence of IgM and IgG antibodies against SARS-CoV-2, not for any other viruses or pathogens; and
- This test is only authorized for the duration of the declaration that circumstances exist justifying the authorization of emergency use of in vitro diagnostics for detection and/or diagnosis of COVID-19 under Section 564(b)(1) of the Act, 21 U.S.C. § 360bbb-3(b)(1), unless the authorization is terminated or revoked sooner.
